Cross-Town Trophy

This year, for the first time, we have been the proud possessors of the Cross-town Trophy, a symbol of our "rivalry" with Monrovia-Duarte High School. Members of the Cross-town Trophy Committee for both schools meet to decide who will receive the award for the following year —on the basis of sportsmanship, victories, and student conduct.

The Arcadia Cross-town Committee this year consisted of Joan Prestin and Dick Leach.

Apache

Our colorful Apache Band has received many top honors in the past year. They have ranked top in their divisions at the Long Beach and Huntington Beach parades, also in the Corona Half Time Band Jubilee.

The crowning glory of a successful year came with a personal invitation from the Vice-President of the United States to the band, asking them to represent the state of California on January 21st, 1957, in the Inaugural Parade in Washington, D.C.

We, the Annual Staff, have worked diligently to capture the spirit of this past year. It is our hope that the memories that these pages will recall will be a pleasurable milestone in our high school careers.

We wish to express our thanks to: former Apache, Jerry Rollings, who took many of our sports pictures; Gordon Marlowe and Roger Stevens who worked as photographers although they were not on the Staff.
